

PART OF THE
RAIL PATH EXTENDING FROM
THE CENTRE OF
MUSASHI-
KAWAASU TO
TOWARDS THE
WEST

THE
NOYAMA
KITA
RAIL
SIDE
PATH

PAUSED
THROUGH A TUNNEL
LEFT OVER FROM A
SHALL RAILROAD
THAT WAS USED TO
CARRY BRICKS AND
OTHER MATERIALS

Why
there
of all
places?

I've never
remembered
the name for
years before

So
that's
where

A pool,
right...

Oh yeah,
I went to a
pool around
there when I
was little.

He did
go to the
pool after all—
Looking
at it again
I'm starting
to remember
it, though.

武蔵・村山・林
付き合ってみた。

なるあすく

Come on,
hurry up!

hahaha

...YOU
ARE
NOT
IMAG-
INING
ME IN A
SWIM-
SUIT
RIGHT
NOW,
ARE
YOU?

ざんぱりです

We've been
together
before.

HE
DIDN'T
DO IT.

WHAT
ARE YOU
TRYING
TO SAY?

Well, knowing them...

A few
with an
extra...

But why
would they
choose to
go there?

A little
too secluded.
Won't it be
kinda gloomy?

They probably
just picked
somewhere
secluded so
nobody would
spot them.

Well, they
can't do
that be-
cause...

A theme park,
or meeting at
the train station
or almost any-
thing would be
better.

There's
no train
station in
Murakami
anymore.

**THEY
DON'T
HAVE TO
STAY IN
THE CITY!**

But it's Murakami
and Murakami?

Actually, there is
the only city
in the
prefecture
without a
train station.

Just wait
for the right
moment,
and ...

40

Tap him with
all your might.
You'll score a
direct hit with
your weaponry!

That'll surely
take him down
in one hit. You
two can become
cuddles with the
thrill!

MURDER
COULD BE
BORN FROM
BEHIND THE
MURDER

SLEEP

All you have to
do is the sky at
the dawn it work
up your courage
and face him.

NOTE

T/N: Use Google Street view at 35 758632N 139 386943E and look northeast. There are several photospheres taken inside the tunnel, actually I think the one at the entrance depicted in this panel is at 35 759411N 139 390731E.
